

SOUTHERN ILLINOIS

Epilepsy Educator

Join our amazing team in providing top quality support and services to individuals with developmental disabilities.

At the Epilepsy Foundation of Southern Illinois (EFSI), our mission is to passionately support each person in living a meaningful and satisfying life!

The Epilepsy Educator will present and coordinate epilepsy related information to employers, rehabilitation professionals, school nurses, school personnel, law enforcement, and other agencies in the southern Illinois counties, based out of Mount Vernon. Epilepsy education opportunities will be through meeting with individuals, as well as meeting with groups and attending health fairs. Other duties may include assisting with fundraising and working with the Epilepsy Services Coordinator.

This is a part time position. Normal working hours are Monday through Friday 8:30 am – 4:30 pm. However, flexibility is required.
